Dear Friends and Families,

What a journey we have all walked thru during the last two years. It feels so wonderful to be engaging again in our communities. It is our JOY to announce that our **2022 gala is planned for Saturday, November 19, 2022 at the Grandover Resort to celebrate the living legacy of adoption.**

We remain dedicated to our mission at CAS and are looking forward to this gala to celebrate our history, as we come up on 30 years of service, and our future, as we continue grow and expand. During this time, it has been inspirational to receive calls and letters from families, young adult adoptees and adoptive parents sharing of their stories and adoption journey and reconnecting to our agency. Other calls have share of losses in this pandemic, but also testified to the greater love living in their family due to the choice to adopt.

This time apart has spotlighted the legacy of adoption that lives beyond our families in the larger community.

Adoption brings many unintentional gifts. As family seeks to embrace children through adoption their view is focused on the family, however the family changed by adoption reaches so many others during their journey. As I was recently talking with an adoptive parent, she shared that her father who had recently passed was adopted.

She felt his history and dedication to adoption had guided several family members to adopt. I just thought how many memories would be missed if this family did not have this rich history of adoption. Our agency is honored to be part of this legacy, and to host this celebration of the legacy of adoption November 19, 2022. It is our hope that you will join us to share your story and support the future adoptions for families locally, nationally and worldwide.

This gala allows us to celebrate our agency history, new domestic adoption programs including Foster to Adopt!Together, we will create more living legacies through adoption, support services, and expanded local, national, and international services for children and families. It would be my honor to meet with you to discuss how the legacy of adoption changes the world and your support makes that possible. Contact me at pstephenson@carolinaadoption.org or (336)275-9660 ext. 135. Please make plans to join on November 19, 2022 for a wonderful celebration honoring adoption through live performances, auctions, dinner and sharing stories of the legacy of adoption. We hope you will accept this invitation to attend this event. Walk with us in the journey by joining the Gala team, becoming a sponsor, or donating an auction item. Adoption changes the world, help us to make this impact stronger by joining in this Celebration!

Most Sincerely,

Phyllis Kay Stephenson
